## CLASS

In September, 1963 we became the freshman class of Suffield High School. Charles Hartz led the way as President, assisted by Billy Moffett Vice President, Francie LaMonica Secretary, and Chuck Wilbur Treasurer.

As language clubs gloated as we freshmen endured their various methods

paid off when their box, blinking the numbers 67, helped us to win the pep rally.

Week came along, we, who had managed to hold our tags for the length movie, *Run Silent, Run Deep*. There were four reels and we long order . . . Remember how Clark Gable died on one reel and came

ixed feelings. We felt nostalgia at leaving the old school, yet we antici- e had watched being built from the windows, of our various classes.

Secretary, and re-elected Rich, Billy, and Chris as officers for the junior

Trip, aside from the usual tour, several adventure-seeking juniors got roamed New York without shoes. We set a new trend by waiting until our gs. What a day it was when they finally arrived! Then we held our most

money making project: selling candy bars—on buses, in the halls before and after school, and during lunch.

The faculty chose Lynn Johnston and Heidi Cruser to attend Laurel Girls' State with Pat McAdam as alternate, and Paul Turek and Brad Duckrow to attend Natick Boys' State with Bob Peyman as alternate. Since Brad had been accepted at the "Program in Biochemistry" at Loomis for the summer, Bob went to "State".

On the evening of the Junior Prom we entered through the archway of paper, tripping over the stairs. We were all awed at the transformation, not only of the old gym but of our classmates as well. Co-Chairman Shirley Phillips and Pat McAdam had everything organized with a real fountain to emphasize our theme: "Three Castles in a Fountain". The Grand March turned into an ordeal by the sixth lap, but it

## HISTORY

was worth it for the girls in the court. When Richard Favreau crowned Celeste Szoka Queen, the prom ended, although the evening had just begun for many of us.

When graduation arrived and we saw our upperclassmen leaving, we finally realized that we were now "The Ones" with only one more year to go.

We elected Richard Favreau President, Bill Moffett Vice-President, Francie LaMonica, Secretary, and Chris Wilson, Treasurer for our senior year. The 1967 *Sagitta* was already well underway with Heidi Crusier as Editor and Joyce Canfield Assistant Editor. Terry Duni headed the *Suffield Spokesman* as Editor-in-Chief. Our magazine drive began and our mascots, skunks, appeared around school as most seniors sold their fifty dollar quota. Finally the results were in and the top salesmen were Pat McAdam, Craig Parker, Jim Schneidt, Merry Kalb, and Billy Moffett.

Our soccer team won the NCCC Title by remaining unscored until our next to the last game. Gail Kuzontkoski headed the cheerleaders with seniors Susan Orr, Helen Prejko, Eileen Hennessey, and Jeanne Samsel.

Merry Kalb, Lillian Bonelli, Laurie Laughlin, Pat McAdam, and Kathy Bellmore, the seniors on the girls' basketball team, helped to maintain the team's unbeaten record of the past three years.

We named our Senior Ball, which was the first big dance held in the new school, "Illusion." John Beaudien and Francie LaMonica acted as Co-Chairmen. Everyone enjoyed Arlene Goncezewski's open house party before the ball. We decorated with pop art creations and illusions. Gail Kuzontkoski was chosen queen. Marcia Monson, Celeste Szoka, Jill Clark, Diane Mills, Dara Johnson, Shirley Phillips, Merry Kalb, and Jeanne Samsel were named to her court. We enjoyed a buffet dinner-dance after the ball.

The homemaking students prepared a luncheon for the members of the National Honor Society and their parents after the induction on February 9th.

The senior class sponsored dances after the basketball games to earn money. With the beginning of the second semester, Mr. Ouellette launched a program granting the seniors new privileges. We could go to the library without passes or to the auditorium during study halls. We played cards, talked and listened to records or to the radio in the auditorium—what a way to study!

The Yearbook Staff worked feverishly (3) to meet their last deadline on March 16th. As the end of the year raced forward we finished our high school career in a whirl of activities. We had our class banquet, headed by Arlene Goncezewski and Wayne Galton, at the Kimball Towers and finally our graduation on June twenty-first, nineteen hundred and sixty-seven, the first graduation in the history of Suffield High School to be held outdoors!

A cheering award for Gail

Smitty receiving track award

*This has been a fine year for all Suffield High School Athletic Teams. Our soccer team had one of the finest seasons ever witnessed by our school. The boys' basketball team played their games in their superior Wildcat tradition. Once again, the girls' team was undefeated. The track and cross country teams ran their ways to victory. The baseball team proved itself able to accept all given challenges. Our golf and tennis boys fought to achieve many fine wins. The cheerleaders aroused more spirit than ever before, and the response of the student body was outstanding. We thank you all.*

*More important, we wish to thank the coaches for their hard work and guidance in making this year extremely profitable in the eye of sports.*

### The Lonely Street

William Carlos Williams

*School is over. It is too hot to walk at ease. At seven in light frocks they walk the streets to while the time away.*

*They have grown tall. They hold pink flames in their right hands. In white from head to foot, with sidelong, idle look—in yellow, floating stuff, black sash and stockings—touching their avid mouths with pink sugar on a stick—like a carnation each holds in her hand—they mount the lonely street.*
